The ARRL Board is at it again

A newly proposed Code of Conduct, which I believe is the equivalent of a loyalty, confidentiality and obedience pledge to the League itself and not to the members that elect us.

Going on a social media diet

Leaving Twitter, investing in Mastodon.

[QRPer](#)

MeshCom 4.0

A project to exchange text messages via LoRa radio modules. MeshCom modules can be combined to form a mesh network, but can also be connected to a message network via MeshCom gateways, which are ideally connected via HAMNET.
